

WHAT DOES *Virginia* NEED?

Virginia **needs** elected officials who:

Protect our communities by encouraging responsible gun ownership and passing common-sense gun laws like universal background checks¹.

Build upon the success of **expanding Medicaid to over 550,000 Virginians** by fighting to lower the costs of private health insurance plans².

Expand access to SNAP benefits – **providing access to free breakfast and lunch to 25,000 Virginia families**³.

WHAT VIRGINIA DOESN'T NEED?

Virginia doesn't need elected officials who:

Pretend to be moderate while donating thousands of dollars to politicians working to **strip Virginians of health care and women of their reproductive rights**⁴.

Object to Democrats' attempts to protect communities from gun violence and who **criticize universal background checks**⁵.

Oppose vaccine mandates designed to keep our communities safe and help us end the Covid-19 pandemic⁶.
